A Personal Approach

At Community Bank of Missouri, we see personal bank accounts as personal relationships. Our customers are our neighbors—people like us. As a locally owned bank, we're committed to providing expert advice, friendly service and account options designed to best meet your needs.

Whether it's a checking or savings account or certificate of deposit, our job is to offer a banking relationship that truly works. And that's our personal promise.

Easy Banking Options

Need to check your balance, track transactions or transfer funds between accounts? Visit our website at www.communitybankmissouri.com and use our *FREE* online banking services. You can even pay bills using our *FREE* online bill pay service.

For round-the-clock purchasing convenience, apply for our Mastercard debit card. The application process is quick and simple. Our debit cards may be used anywhere that Mastercard is accepted.

You can also withdraw funds after hours at either of our location's ATM terminals. Out of town? No problem—find an ATM on our website.

We are always interested in developing new and convenient services to make banking easier for you.

Checking Choices

The right checking account is an important step to a successful financial plan. That is why we offer specialized checking options to fit your needs. Because we want to put your money to work for you, almost all of our accounts bear interest! It's just one way of showing how much we value your banking relationship.
